

# EAGLEGREEN

## TECHNICAL DATA SHEET

### AMINO ACIDS + FULVIC ACIDS

## DESCRIPTION

EAGLEGREEN is an organic biofertilizer whose unique formulation has been designed to optimize both vigour and nutrient supply to the plant. Its richness in Amino Acids of double enzymatic hydrolysis provides the plant with those specific amino acids that the plant needs in each vegetative phase of the plant.

EAGLEGREEN contributes to plant growth through its effects on the physical, chemical, and biological properties of the soil thanks to the contribution of a large amount of organic matter.

The contribution of EAGLEGREEN improves the use of fertilizers applied to the soil thanks to its high E.H.T. composition, having a positive effect on the general growth of the plant, which also has repercussions on the yields and quality obtained. Its richness in nitrogen as an important constituent of the chlorophyll molecule, nucleic acids, and proteins, stimulates growth by favoring cell division.

## COMPOSITION

### Guaranteed Composition

Total Nitrogen (N)	4,00 % w/w
Organic Nitrogen (N)	4,00 % w/w
Free Amino acids Total	24,0 % w/w
Organic Matter	60,0 % w/w
Organic Carbon (C)	35,0 % w/w
Total Humic Extract	22,50% w/w
Fulvic Acids	22,50 % w/w

## DOSAGE AND METHOD OF USE

Application in grasses.

C3 and C4: 2-4 L/ha

## PRECAUTIONS AND INCOMPATIBILITIES

EAGLEGREEN is compatible with most fertilizers and phytosanitary products; however, a previous mixture is recommended and avoid being mixed with oils and acid reaction products.

EAGLEGREEN does not require special handling conditions. The product is not flammable or corrosive, however, it is recommended:

- Do not store in a container other than the original one.
- S2: keep out of the reach of children.
- S3 / 7/8: keep container in a cool, dry, and well closed.
- S13: keep away from food, drink, and animal feed.
- Do not apply in hours of maximum sunlight.

## WARRANTY

VELLSAM guarantees that the chemical composition of this product meets the characteristics described in this data sheet. Improper storage, times and methods of application, climates and crops, or mixtures with chemical products not specifically recommended in this sheet or through a written recommendation that accompanies it escape control and therefore responsibility of VELLSAM

No third party is authorized to give additional warranties or instructions regarding this product, and if they do, such warranties or instructions will not be valid or binding on VELLSAM

In case of any doubt, consult our Technical Department at [vellsam@vellsam.com](mailto:vellsam@vellsam.com) .
